# Hari Babu P

Global Delivery Leader | Transforming Operations into Centers of

Value | Data & AI Strategy

Santa Clara, California, United States

## Summary

Visionary Technology Leader with 20+ years of experience orchestrating high-value digital and data transformations for global Financial and Healthcare institutions. Expert in navigating the intersection of Technology Strategy, Financial Governance, and Global Operations, scaling delivery organizations from inception to 300+ member high-performance units. Managed portfolio's worth \$90M and orchestrated delivery of 200+ MVPs.

Committed to efficiency, achieved \$11M+ in vendor savings, \$5M+ in annual cloud efficiencies. Championed innovator, solved operational, technology problems leveraging Agentic AI and LLMs. Slashed ticket resolution times by 25% for critical migrations.

Distinctive capability in leading technology integration for M&A and Spin-offs, ensuring seamless data lineage and regulatory compliance (BCBS 239, HIPAA, CCPA) during critical organizational transitions.

Proven track record of pivoting operations from 'Cost Centers' to 'Innovation Hubs' by leveraging Paas/SaaS/IaaS models and Advanced AI/ML analytics to drive revenue recognition and operational resilience.
